The background of the image is a detailed illustration of a medieval knight. The knight is shown from the chest up, wearing a dark, tattered tunic and a chainmail surcoat. He is holding a sword vertically in front of him with both hands, his head bowed as if in prayer or contemplation. The sword has a silver hilt and a dark blade. The background behind the knight is a large, ornate banner with a yellow and purple floral pattern. There are several yellow banners with Latin text, including "Sicut dominus" on the left and "in obsidione" on the right. The overall style is highly detailed and atmospheric, typical of the game's art direction.
